**STUDENT ACHIEVEMENT REPORT, 2012**

**August, 2013**

## Content:

1. Introduction.....	2
2. University achievement 2012.....	3
3. MBA and Bachelors achievement .....	7
4. Conclusion .....	9

## 1. Introduction

University of Economics and Management is publishing each year annual report for Ministry of Education, Youth and Sports, Czech Republic. The Annual report contains all following data and many more in Czech language. Annual report is published on university websites each year by the end of June, please see <http://www.vsem.cz/vyrocnizpravy-vsem.html>.

University of economics and management makes extensive use of performance indicators and statistics to gauge success in achieving goals and objectives and to foster improvement. Several sets of indicators have been developed for specific purposes. This report is a composed by the general performance indicators such as Number of students, Number of Graduates, Number of admissions, Enrollments for the whole university compared to chosen study programmes. For the latest editions of the Performance Indicators we used internal data system.
